Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B of your report (see attached) discloses one or more disbursements which appear to exceed the limits for donations to "recount funds" established by federal candidates. Advisory Opinion 2006-24 prohibits a multicandidate committee from making a donation to a candidate for federal office's "recount fund" in excess of \$5,000.

If any apparently excessive donation in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If any donation you made exceeds the limits, you must request a refund of the excessive amount.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Although the Commission may take further legal action regarding the excessive donation(s), your prompt action in obtaining a refund will be taken into consideration.
